# Trinidad Tours

## Explorer

### Duration 10-11 hrs. approx.

Visit the "8th Wonder of the world" - the Pitch Lake. This natural asphalt lake is only one of three in the entire world and supplies much of the asphalt used in the world's roadways. From the Pitch Lake we then travel to the Gulf of Paria on the west coast to visit the famous Waterloo Temple on the sea. Carapichaima is our next stop where stands the majestic Hanuman Murti statue - the second largest free standing concrete structure in the world. This day of exploration culminates with a trip through the diverse and scenic Caroni Swamp. Here we traverse the mangrove lined watercourses until we reach the main lake where at sunset we view the Scarlet Ibis in its natural habitat coming home to roost.

## Birding

### Duration 11 hrs. approx.

Visit the birdwatchers' paradise - the Asa Wright Centre. Take a breathtaking walking tour through the Aripo rainforest that is home to over 150 different species of birds. The Caroni Swamp takes up the second half of this day where over 30 species of birds, including the main attraction the Scarlet Ibis, inhabit this tropical wonderland.

## City Highlights

### Duration 3-4 hrs. approx.

This tour through Port of Spain takes us through the development of the city from its colourful and diverse Colonial days of splendour to the modern urbanization that is currently redefining the capital city. Experience the daily lives of the citizens and the civic institutions that define the running of the country.

## Aripo Cave Hike

### Duration 5-7 hrs. approx.

Hike up the highest mountain in Trinidad and Tobago, El Cerro del Aripo. This 940 metre challenge is home to the Aripo Cave in which live the famous Oil Birds. Along the way we trek through the Evergreen Forest and experience the numerous variety of plant and animal life that make their home there!

## Tamana Cave Hike

### Duration 3 hrs. approx.

Trek uphill past the defunct cocoa plantations to Tamana Cave. This cave system consists of 18 different sections that is home to numerous interesting species of plant and animal life. The main attraction here however are the cave's principal inhabitants - BATS!!!! that number between 500,000 and 3,000,000!!!!

## Double Rivers Waterfall Mt Bike Tour

### Duration 4-5 hrs. approx.

Ride up through the picturesque Northern Range where various

natural wonders await you. Without wanting to spoil all the surprises we will give one piece of advice - walk with your bathing suit as we may encounter an amazing waterfall and plunge pool where a crisp and refreshing dip await those fit enough to make it to the top!!!

## Paria Waterfall and Bay (Mountain Bike Tour)

### Duration 7-8 hrs. approx.

This fun filled adventure on the North Coast of the island takes you to the breathtaking waterfall of Paria. This bike route takes you through yet another scenic and spectacular jungle trail that will eventually deposit you at the base of this beautiful waterfall where you can enjoy a cool and invigorating swim.

## Blanchisseuse/Paria Bay & Waterfall Hike

### Duration 7-8 hrs. approx.

Instead of biking we hike from the quaint village of Blanchisseuse along the coast to the Paria waterfall. This amazing hike will be an experience that you will take with you and cherish for the rest of your life.

## Northern Range Adventure

### Duration 10-11 hrs. approx.

This is one of the more leisurely tours that we offer. We combine the bird watching tour to the Asa Wright Nature Centre with a short hike to the charming Avocat waterfall. We then make our way to the most famous and popular beach in Trinidad - Maracas Beach where we cap off the day with a refreshing swim in the Caribbean Sea and sample one of the most popular dishes in the island!

## Rincon Waterfall Hike

### Duration 9 hrs. approx.

Yet another waterfall option!! We hike again through the jungle up to the stunning Rincon Waterfall where we have a fun-filled and relaxing time. We then make our way to Maracas Beach where we finish the day in style and splendour.

## Three Pools Kayaking Tour

### Duration 9 hrs. approx.

Kayak up the enthralling Marianne River in the village of Blanchisseuse to Three Pools. This natural wonder consists of three aquamarine swimming pools nestled along the river gorge in the heart of the Evergreen Forest. On our return we then head straight to Maracas Beach where we finish the day.

## Maracas Waterfall Hike

### Duration 7 hrs. approx.

The highest waterfall in Trinidad and Tobago is located in village of St. Joseph. This spectacular 90 metre wonder will leave you in awe

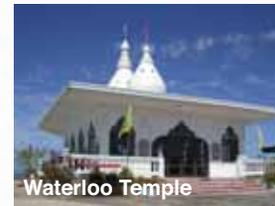

and wonder. Though there is no plunge pool you can sit or stand at the base of the fall, directly under the cascading water for an experience that few are lucky enough to get!
